May 21, 2006

To Whom It May Concern;

This letter is to recommend the work of Mr. Ben Zolfaghari.

Mr. Zolfaghari served Jesuit High School in the installation of Field Turf on its football field in 1999. In my capacity at the time as Athletic Director I was in a position to observe Mr. Zolfaghari's strong work ethic, his ability to direct subordinates, and his good knowledge of and competence with the installation process.

Among other tasks performed, Mr. Zolfaghari worked with stabilizing the rock base of the turf by watering and rolling it, he monitored the stitching of the various carpet segments, and he tested the top dresser to measure the level of in-fill properly and in fact installed the first 300,000 pounds of the material.

Later, after a trespasser vandalized the field during the winter, Mr. Zolfaghari was able to successfully remove markings from the turf.

The field that he helped install continues to serve Jesuit High School very well and has never developed any problems for us.

On the basis of our experience with Ben Zolfaghari, I fully recommend him to you.

Sincerely,

James Charles Naggi
Vice Principal for Administrative Services
